About Trumpington Stitchers

Trumpington Stitchers meet every Monday evening from 6.30 to 9.00pm. We operate a drop-in, not a formal club, so come when you can. People bring their own sewing, knitting, crochet or any stitching project, and we stitch, chat and drink tea. We help each other with projects and there is usually someone in the group who can teach new skills when needed.

Just come along, with or without something to do. We can help you get started.

Cost is £3 a session towards venue hire and refreshments.
